Organize

INTERNATIONAL CONFERENCE on "EFFECTS OF NATURAL AND TECHNOLOGICAL DISASTERS ON ENVIRONMENT AND ECONOMY"

First Announcement

Belgrade, 22 – 24th April, 2019

The program of the International Conference comprises many thematic units and complete issues of sustainable development in all industrial sectors and economy.

The International Conference on "EFFECTS OF NATURAL AND TECHNOLOGICAL DISASTERS ON ENVIRONMENT AND ECONOMY" is intended for all experts in industry, services, and in all spheres of environmental protection: researchers, economists, engineers, chemists, meteorologists, lawyers, inspectors, and for all those who act responsibly towards the environmental protection from natural and technological disasters.

THEMES OF DISCUSSION

1. Increase of the frequency of natural disasters in the world
2. The impact of climate change on the frequency of natural disasters in the world
3. Rehabilitation of the consequences of catastrophic floods in 2014 in the countries of the Western Balkans
4. The role of digital economy in protecting the environment and ecosystem from natural disasters
5. Risks of technological accidents due to natural disasters (Natech)
6. Monitoring of the state of the environment for the purpose of early warning of the population about catastrophic events.
7. Development of innovative activities for the protection of the environment from catastrophic events
8. The importance of technological innovations in the development of "Smart Cities"
9. The significance of The Internet of Things (IoT) for timely informing the population about natural disasters and protection measures.
10. Use of innovative digital technologies for the purpose of monitoring the environment
11. Ensuring the safety and sustainability of the environment in cities and settlements
12. The role of the digital economy in the struggle against climate change and its consequences
13. European Union Directives on environmental liability with regard to the prevention and remedying of environmental damage
14. Environmental and economics legislation of the Republic against natural disasters
15. Social aspects of emergencies

IMPORTANT INFORMATION AND DATES

Papers may be presented in Serbian or English language. Receipt of abstracts in Serbian and English with keywords (one-page A4 format, font size 12pt) **by March 15, 2019**, at ecologica.drustvo@gmail.com. Abstracts will be published in the Proceedings of Abstracts. Final papers, after having been successfully peer-reviewed, will be published in the journal "ECOLOGICA" (M51).

Final papers in the length of not more than 6 pages (format A4, font size 12) are to be submitted on the day of the Conference at the latest (printed in two copies and saved on a CD). Participation fee for the Conference is 100 EUR. Additional information on 064 0049 066 or (+38111) 3244 248

EFFECTS OF NATURAL AND TECHNOLOGICAL DISASTERS ON ENVIRONMENT AND ECONOMY
